Mama, I am really disappointed with how you and Sean are handling this situation. You told me 3 days and it's about to be 3 months. The deadline for me to receive the money that I lent is a week from Monday. Which is February 26, 2024. I still love both of you. but this can't go past that date

Pls don't use a pub deal that I'm trying to get you as a method for you pay me back the money owed. Those are 2 different things and not what our agreement was. There's a good chance that if there wasn't something weird happening with the energy or something else in the air the

That is unacceptable and as far
as the bank account goes, if
you knew like you said you did
that the irs was owed money
then you should have made me
aware of that factor before
asking me to lend that kind of
money. I wasn't told because I
wouldn't have done it knowing
